

NEW SPONSORSHIP OPPORTUNITIES

Established in 1978, the Bolton Truck & Tractor Pull celebrates this community's rich and unique heritage, history and diversity. This event has grown from a small local tractor pull to full blown community festival with something for all ages, interests, attracting almost 9,000 attendees to our events in 2016.

We pride ourselves in running a completely not for profit event. The Albion & Bolton Agricultural Society has donated \$ 50,000 back to the community as a result of our community events.
